Words of Encouragement

by Alex Hodgkinson

"Two new phrases have taken the world by storm, you can't go a day without them impacting on our new and hopefully temporary way of life. Social distancing and self isolation. Well, maybe it's the short-term answer to the problem, but I can't help thinking that society's main problem is distance and isolation from God, distance and isolation from the word of God, distance and isolation from the power of God, and thus distance and isolation from the Holy Spirit working in our lives.

God certainly has his hands over many people who have not yet had the light of truth shine on them. But let's be real,

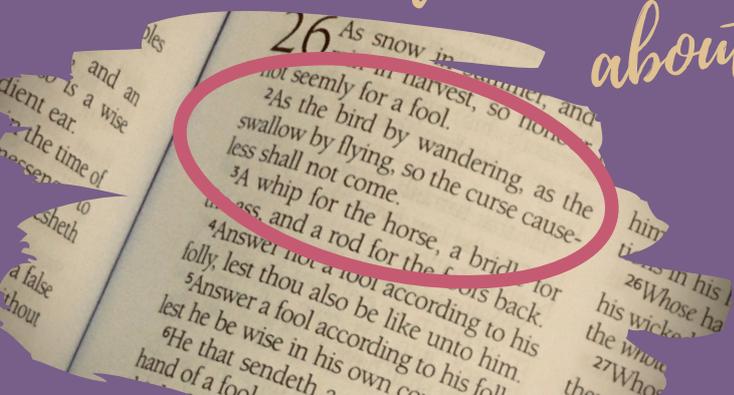

an exciting new venue!!!
God willing we will get there!

Something to think about

Proverbs

the vast majority don't have any room in their lives for a God as demanding as the one we serve. He is a jealous God, he wants total surrender and no other god in our lives. Hence the problem, society doesn't want a demanding all consuming (involved in every aspect of our lives) God. Most are simply not interested. If they have any sort of New Age desire for God, it's one they can keep in a box, or perhaps a teapot that they can rub, and magically, god appears like a genie ready to grant every wish. But our God is not like that. (see page 2)

Prayer

Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints. Ephesians 6:19

- *Pray for those suffering from the effects of covid-19, health or financial, and all other associated effects, such as fear.*
- *Prayer for the world leaders that right decisions will be made for the good of the gospel to continue to go forward.*
- *Prayer that this situation will give us opportunities to share Jesus with others and that it will awaken in many an interest in eternal realities.*
- *Please pray for the souls who have received the books distributed during Music Camps and by the Eastward Canvassers will begin reading them and find the PEACE above the COVID ! storm.*

He doesn't want to keep his distance, isolated from intimate involvement with our lives, and nor do we want that either, for we have tasted and seen that He is good. The world's greatest need in these last days is a manifestation of true godliness as displayed in the lives of his people. We must be epistles seen and read by all, we must be different to society for God is different to society, we must have a power in our lives which attracts people, not our own power for of our own selves we can do nothing.

The evidence is all around us open your eyes, we are living in the toenails of planet earth's allotted time, Jesus is soon to come. Let's all draw near to the living God, no more distance between, no more isolation. Daily surrender, praying without ceasing, filling your mind with his word, tasting and seeing that He is good." Campfire Sharing
with Cory Stamenkovic**

My favourite part of Music Camp 2019

was Bruce's campfire talks. They were so in depth and clear. They were also so powerful and yet he did not shout. People think it necessary to shout sometimes to make a sermon powerful but if the preacher is using the Bible and Spirit of Prophecy and teaching the truth with these tools any sermon can be powerful because God's blessing is in it. These talks were a blessing to me and very thought provoking. I left camp a different person as well. Praise God.

With the spiritual wake-up call Covid-19 has caused in the hearts of God's people I thought the words of the song "The Lord Is Coming, Are You Ready?" from Music Camp 2017 were very apt. How can we be ready? I couldn't go past this message from OHC page 356

**The Lord is coming, are you ready?
Would your heart be right
if He came tonight?
The Lord is coming, are you ready?**

The servants of Christ are to prepare no set speech to present when brought to trial for their faith. Their preparation is to be made day by day, in treasuring up in their hearts the precious truths of God's Word, in feeding upon the teaching of Christ, and through prayer strengthening their faith; then, when brought into trial, the Holy Spirit will bring to their remembrance the very truths that will reach the hearts of those who shall come to hear. God will flash the knowledge obtained by diligent searching of the Scriptures, into their memory at the very time when it is needed....

... Now you are to know whether your feet are planted on the Eternal Rock. You must have an individual experience, and not depend upon others for your light. When you are brought to the test, how do you know that you will not be alone, with no earthly friend at your side? Will you then be able to realize that Christ is your support? Will you be able to recall the promise, "Lo, I am with you always, even to the end of the world"? There will be invisible ones all about you bent upon your destruction...

But if you have an eye single to His glory, you need not take thought as to how you shall witness for His truth. Young men and women, are you growing up to the full stature of men and women in Christ... if we would stand during the time of test, we must now, in the time of peace, be gaining a living experience in the things of God....Christ must be our all and in all, the Alpha and Omega, the first and the last, the beginning and the end. Continuing Campfire Sharing with Emily Sawyer

Many times in the past few years I would always wonder what it really felt like and meant to have a deep love for Jesus and to earnestly seek to share Him with others. I just didn't know how it was possible to remember to talk to God all throughout the day. I would hear my parents talk about it but because I'd heard it so much but not experienced it, I didn't believe it would ever happen in my life. But I did want it so much. In this last year, especially after my baptism, I have felt this come alive in my life so much more real than I could have ever imagined. My desire to live my life in service for Christ has been extremely amazing. I continually find joy in uplifting my heart to God during the day. I can't come to comprehend the power of God in my life. I sincerely pray that each other young person may experience this in their life. Please do not give up on Him, God is longing to accomplish a great work in each one of you. Here is a beautiful promise.

'Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us.'
Ephesians 3:20

Give Christ a chance; earnestly seek Him each day and I know you will not be disappointed!
